

## Comprehensive Checklist for Gauging the Likelihood of a False Flag Operation

Indicator	Description	Evidence (Yes/No)	Weighted Score (0-5)
<b>Initial Observations</b>			
Immediate Attribution	Is blame immediately placed without evidence?		4
Timing	Does the event benefit a political agenda?		4
Inconsistencies	Conflicting reports in the official narrative?		5
High Emotional Impact	Does the event generate strong emotions?		3
Drills Occur	Drills that mimic the actual situation?		5
ID Found	Passport/ID of the perpetrator found?		4
CCTV Issues	CCTV not working at the time?		3
Foreknowledge	Prescience or foreknowledge of the event?		5
Multiple Shooters	Evidence of multiple shooters?		4
Eyewitness Accounts	Conflicting eyewitness accounts?		4
<b>Media Coverage</b>			
Media Consistency	Unusually consistent media narrative?		3
Expert Opinions	Experts questioning the official narrative?		4
Historical Context	Ignored or glossed-over historical context?		2
Tampered Evidence	Tampered images or video?		4
Public Discourse	Discourse steered in a specific direction?		3
Social Media Trends	Narratives promoted or suppressed online?		3

<b>Official Statements and Actions</b>			
Rapid Policy Changes	Immediate policy or military actions?		5
Transparency	Lack of transparency or disclosure?		4
Standard Protocols	Standard protocols not followed?		4
Links to Intelligence	Perpetrator linked to intelligence services?		5
Key Witness Suicide	Key witness commits 'suicide'?		4
Admission by Third Party	Inadvertent admission by a third party?		4
Physical Evidence	Physical evidence hidden or removed?		5
<b>Additional Context</b>			
Symbology/Numerology	Obvious symbology or numerology used?		2
Crisis Actors	Use of crisis actors or controlled witnesses?		3
Recent Sale	Building or company involved recently sold?		3
Insurance Change	Recent change in insurance policy?		3
Call for Policy Changes	Calls for removal of freedoms post-event?		4
Whistleblowers	Insiders questioning the official narrative?		4
Gut Feeling	Something about the event doesn't add up?		2

Passive Facilitation Indicators			
Lack of Prevention	Lack of effort to prevent despite capability?		5
Intelligence Failures	Significant intelligence failures?		5
Inadequate Response	Unusually slow or inadequate response?		4
Contradictory Statements	Contradictory official statements?		4

### Scoring Interpretation

- **0-50:** Low likelihood
- **51-100:** Moderate likelihood
- **101-150:** High likelihood
- **151-200:** Very high likelihood

You can print this table and use it to evaluate the likelihood of a false flag operation by filling in the "Evidence (Yes/No)" and "Weighted Score (0-5)" columns based on your findings, and then summing up the scores.
